

## (SYLABUS)

**Name of the department / clinic providing the course:**

Department of Psychosocial Rehabilitation

**Course title:** Międzynarodowa Szkoła Doktorska

**Course profile:** academic

**Speciality:** NA

**Level of course unit:** 2

**Course unit title:** Leadership in the management of the international project.

**Course unit code:** 10012865/13/60/126/222/2/2024

### Course aims:

One of the challenges of cooperation in international projects is working in a interdisciplinary team. Nowadays, planning, implementing and evaluating a task requires more than just understanding the knowledge and skills of people from different professions. Skills that lead to the creation of a common research plan and build on the work of people from units with different organisational cultures are key to our research success. During the course, participants will have the opportunity to learn about their preferred role in a research team and develop negotiation and leadership skills in project management.

**Form of study:** Stacjonarne

**Year of study:** 1

### Types of educational activities and number of hours allocated:

Subject	Language course	Self-study	Lecture	Exercises	Laboratory	Seminar	Practical	e-learning	Profession practice	Other (what?)	ECTS points
